

WARRANTY INFORMATION

Limited Warranty

Republic Cabinets Direct warrants its materials and installation services furnished in connection with each specific project conform to the approved drawings, specifications and samples for the project and will be free from defects in materials and workmanship for a period of one year from Substantial Completion for the buildings thereof in which the product is installed (hereinafter “the warranty period”). Warranty claims must be submitted to Republic Cabinets Direct in writing no later than 14 days after the expiration of the warranty period. During the warranty period, and at the sole option of Republic Cabinets Direct, defective material and/or workmanship shall be replaced and/or cured; OR Republic Cabinets Direct shall refund the purchase price of any defective material. In no event shall Republic Cabinets Direct be liable for any incidental and/or consequential damages of any sort whatsoever. The remedies available to any purchaser of goods from Republic Cabinets Direct shall be as set forth herein and shall only be available for the warranty period.

Note: See project specific warranty coverage certificate supplied at completion.

ANSI/KCMA A161.1

Cabinets bearing the ANSI/KCMA 161.1 certification have been extensively tested according to rigorous standards developed, and periodically revised, by a committee operating under rules set by the American National Standards Institute (ANSI) and developed by the Kitchen Cabinet Manufacturers Association (KCMA).

Cabinet and Closet Product Care

- Wipe with a damp soft cloth and dry immediately with a dry soft cloth. Do not use abrasive cleaning solutions or scouring pads.
- Clean spills promptly. While it is unlikely that allowing a spill to dry will affect the finish, cleaning promptly is always wise.
- Don't hang wet towels on door or drawer fronts. Over time, this may damage the door, drawer and finish.
- Don't allow children to swing on doors or to use drawers as step ladders. Bent or twisted hinges and drawer guides usually cannot be repaired.

Contact Us

To obtain service under this limited warranty, contact the appropriate customer care department or call our toll free number 903-935-7611. Project information will be required at the time a claim is made. All claims require approval from the appropriate department prior to parts being shipped or repairs started.

Note: Variation in color and grain may differ from actual product.
